HISTORY AND MISSION

In the spring of 1964, the Lord gave Dr. Moses Yu and a group of believers a vision for training workers for the Kingdom of God. However, it was not until 1973 that the vision became reality. Five students enrolled the first year, using the Berkeley Gospel Center for classrooms and fulfilling field education in some of the Chinese churches in the San Francisco Bay Area. In 1976, a brother was moved by the Lord to donate an apartment complex for the seminary's ministry. It provided space for both classrooms and student residence.

In 1978, Christian Witness Theological Seminary (CWTS) was approved as a private post-secondary educational institution in the State of California. In 1984, CWTS was authorized by the California Superintendent of Public Instruction to confer bachelor's and master's degrees. Currently it is registered under the Bureau of Private Post Secondary Education in the State of California with permission to train professional Christian workers. CWTS is authorized under Federal Law to enroll non-immigrant students from overseas.

For more than fifty years, by the grace of the Lord, CWTS has provided training for a good number of Christian workers in North America and around the world. In the summer of 1996, we moved to the city of Concord, which is in the East Bay Area. Then in January 2009, we moved to Milpitas in a transitional phase. Subsequently we moved to a larger and better campus in San Jose in early 2010. We now offer the Doctor of Ministry degree and six Master's degree programs. We have a team of six regular faculty, and over twenty visiting faculty members. Our students come from China, Hong Kong, Taiwan, East Asia, North America and around the world. Apart from training full-time Christian workers, we also provide training for lay leaders. Since 1997, the seminary has various extension centers in different locations in the Bay Area and other states to promote courses in theological education, and together with the church has cultivated a large number of outstanding Christian leaders. Since 2018, the seminary has established the Ministry Institute (MI), which provides more systematic and in-depth certificate courses, and works with the church to cultivate Christian workers.

In June 2004, CWTS was accepted as an associate member of the Association of Theological Schools (ATS) and was granted full membership since June 2016, and our Doctor of Ministry, Master of Theology, and all Master's programs have been officially accredited by ATS.

Our Mission Statement

The mission of CWTS is to equip biblically competent, spiritually mature, theologically proficient and missionally minded servant-leaders who proclaim Jesus Christ and build up the body of Christ through effective ministry in Chinese churches and Christian organizations worldwide.

Our Vision

Our vision is to glorify the Triune God as an influential and respected theological institution that supports Chinese churches in fulfilling the Great Commission of Jesus Christ.

STATEMENT OF FAITH

1. There is one true God, infinite and perfect; existing eternally in three persons: Father, Son and Holy Spirit.
2. Jesus Christ is true God and true man. He was conceived by the Holy Spirit and was born of the virgin Mary. He died upon the cross, the just for the unjust, as a substitutionary sacrifice; and all who believe in Him are justified on the ground of His shed blood. Having risen from the dead according to Scripture, He is now at the right hand of the Father as our great High Priest, and will come again to establish His kingdom of righteousness and peace.
3. The Holy Spirit, co-equal with the Father and the Son, is the Giver of life to all creation. He spoke through the Prophets and indwells and empowers all believers.
4. The 66 books of the Old and New Testaments were verbally inspired by God. They are the authoritative and inerrant Word of God, for the salvation of the human race, constituting the only rule for Christian faith and conduct. They are to be interpreted based on the meaning of the text as intended by the authors (both the Holy Spirit and the human authors inspired by God).
5. God is the creator of human beings in His image, male and female. He is the author of marriage defined as the union between one man and one woman in a life-long, exclusive, and caring commitment to each other.
6. Man, created in the image of God, fell through disobedience, and it resulted in separation between God and all human beings. Hence all are dead in sin and can only be saved through the regenerative work of the Holy Spirit. The final state of the unbeliever is existence in conscious torment; and that of the believer, everlasting joy and bliss.
7. Human beings are saved by grace, through faith in Jesus Christ, the only Savior. To all who receive Him, He gives power to become children of God.
8. It is the will of God that each believer be filled with the Holy Spirit, sanctified and dedicated to God in life and service. The progressive experience towards spiritual maturity in the life of the believer is a process that is subsequent to justification.
9. The Church as the Body of Christ consists of all believers, with Christ being the Head.
10. The Lord Jesus Christ will return. There will be a bodily resurrection of the just and of the unjust; for the former, a resurrection unto life; for the latter, a resurrection unto judgment. Christ will establish His holy and glorious kingdom and take the believer to be with God forever. This is the believer's blessed hope and a vital incentive for holy living and faithful service.

LOCATION AND FACILITIES

To be closer to cities with bigger Chinese populations and to operate in our own campus, in early 2010 CWTS moved to the current site in San Jose, California. A spacious air-conditioned building, with 19,496 sq. ft. of floor space, houses our administrative and faculty offices, classrooms, hall, library and student center. Our student dormitory of 4 apartment units is about 10 minutes' drive away in nearby Santa Clara. In addition, a condominium (for 2 couples without children) in San Jose is within 10 minutes' drive from the campus.

Our main campus is readily accessible by car, being close to the Montague Expressway exit of Highway I-880 and Hostetter exit of I-680. It takes about 40 minutes to drive to San Francisco International Airport and 10 minutes to San Jose Airport. The closest BART (Bay Area Rapid Transit) station (Milpitas) is about 5 minutes' drive away.

LIBRARY

The CWTs library has a floor space of about 3,500 square feet, and currently has a collection of over 40,000+ volumes of Chinese and English books. There are computer stations, study carrels and reference area for our library users. We also have a good collection of academic journals, magazines, and major biblical and theological software. We continue to add to our collections to assist faculty and students in teaching, learning and research.

Master of Theological Essentials (MTE) (3 years, 36 credit hours)

The purpose of the Master of Theological Essentials (MTE) is to provide students with a solid foundation for Christian faith and thought, regardless of their vocational or ministerial calling. Students focus on learning biblical books and develop essential theological skills in order to apply them in their life and ministry contexts, within and beyond the church.

Degree Program Goals and Objectives

The MTE does not attempt to prepare a student for a vocational or ministerial role in the church, but aims at providing the biblical and theological foundation needed for all ministries. All the biblical and theological (as well as general studies and field education) courses of the MTE program overlap with those of other CWTS Master's degrees (Master of Christian Ministry, Master of Biblical Studies, Master of

Divinity). This allows students not only to transfer all 36 credit-hours to another master's program after completing the degree, but also to progress to other degree programs which have focused vocational or ministerial training.

The learning outcomes for an MTE graduate include:

- (1) demonstrating a foundational grasp of the biblical contents, contexts, and messages; and the ability to conduct graduate-level biblical research that can translate into practice.
- (2) exhibiting essential understanding of the heritage of Christian faith and its historical developments; and an ability in theological research, reflection, and discussion that fosters Christ-like maturity and/or Christian ministry.

ACADEMIC INFORMATION

Study Load

The normal study load for full-time students is 12 or more credits per half year, but not to exceed 18 credits. Special permission from the Registrar is required for any student who seeks to take more than 18 credits per half year.

First half of the academic year includes the Summer session and Fall term; second half of the year includes Winter session and Spring term.

Students who take fewer than 12 credits per half year are regarded as part-time students. (Foreign students with F1 visas must be enrolled as full-time students.) All students are responsible for meeting the requirements of the program enrolled.

Grading System

An accumulated grade point average (GPA) of 2.30, or an average grade of C+, is required for graduation.

The grading system is as follows:

Grade	Score	GPA	Comment	
			Masters	DMin
A	93+	4.00	Outstanding	Outstanding
A-	90-92	3.70		
B+	87-89	3.30		Good
B	83-86	3.00	Good	Acceptable
B-	80-82	2.70		Minimal
C+	77-79	2.30		Fail
C	73-76	2.00	Acceptable	
C-	70-72	1.70		
D+	67-69	1.30		
D	60-66	1.00	Minimal	
F	0-59	0	Fail	
WF		0	Withdraw and Fail	
Inc		0	Incomplete and Fail	
P			Pass (GPA D or above)	
NP			Not Pass (GPA below D)	
S			Satisfactory (GPA C+ or above)	
U			Unsatisfactory	

			(GPA below C+)	
--	--	--	----------------	--

Students who receive a D or F for a course may choose to repeat it. The best possible grade for a repeated course is C, which may count towards the GPA.

Any student whose average GPA is lower than a C+ will receive a reminder from the Academic Dean. If the average grade for the following half year still does not reach C+, the seminary may request the student to discontinue his or her study.

Transfer of Credits

Students who have taken courses of similar programs in other seminaries may request in writing to the Registrar for transfer of credits. The Registrar will decide whether or not such credits are transferable. Except under very special circumstances, the transferable credits shall not exceed one half of the credits for all the courses of the program enrolled at CWTS.

At the discretion of the Registrar, students who have previously taken Greek or Hebrew courses may be given a placement exam to decide if they should re-take any of the language courses.

CWTS graduates who return to the seminary to enroll in another program may have some of the previously completed courses regarded as transferable credits. However, electives may not replace required courses. Only completed courses that date back to six years or less may be transferred for credit.

Incomplete and Fail

If a student has not completed all assignments by the time the teacher submits their grades, the teacher will grade the student an Incomplete for that course. The Incomplete grade will automatically change to an F one month after the final assignment for this course is due.

Attendance

Class attendance is mandatory for all students. Absences caused by illness, or other justifiable causes, should be reported to the Academic Dean's Office in writing, and will be permitted only to a limited extent. (Absences of 3 hours permitted for courses of one credit, and 6 hours for courses of two credits, etc.) Any absences beyond the limit or other unauthorized absences will normally result in a failing grade in the course.

Spiritual Formation Assignments Rules

To facilitate the spiritual growth of part-time/online students, starting from the Fall Semester of 2023, all students registered as non-full-time participants (including part-time and online students) are required to complete assignments related to "Spiritual Formation."

As the duration of coursework for non-full-time students may vary, not all non-full-time students are obligated to engage in "Spiritual Formation" each semester they register for courses. However, they must fulfill the following requirements before graduation in semesters when they are registered for courses:

- Non-full-time students pursuing a Master of Divinity degree must complete "Spiritual Formation" for four semesters before graduation (Populi course codes: SF001, SF002, SF003, SF004).
- Non-full-time students pursuing a Master of Biblical Studies or Master of Christian Ministry must complete "Spiritual Formation" for two semesters before graduation (Populi course codes: SF001, SF002).
- Non-full-time students pursuing a Diploma in Christian Studies or Diploma in Church Leadership must complete "Spiritual Formation" for one semester before graduation (Populi course code: SF001).

Part-time/online students registered for "Spiritual Formation" must fulfill the following assignments:

1. Personal Devotion: Monthly submission of a 500-word spiritual reflection (Please upload the reflection to Populi before the monthly assignment deadline).
2. Morning Prayer Meetings: At least three times per semester.
 - Local students: Attend in person on campus or participate through Zoom (indicate attendance on Populi).
 - Remote students: Participate through Zoom (indicate attendance on Populi). (Note: Morning prayer meetings are held on campus from Tuesday to Thursday at 8 am, and on Zoom on Fridays at 8 am).
3. Chapel Assembly: At least three times per semester.
 - Local students: Attend in person on campus or participate through Zoom (indicate attendance on Populi).
 - Remote students: Participate through Zoom or watch the recording on the school website (Note: If watching the recording, submit a 200-word reflection report on Populi after viewing).
4. Additionally, students are encouraged to utilize resources such as mentor-student groups and mentor-student prayer partnerships, but no reports need to be submitted.

At the end of each semester, faculty members will evaluate the performance, and this evaluation will be a requirement for graduation but will not be included in the cumulative GPA.

Assessment

In addition to supervising academic performance, the faculty will make continuous assessment of the students' character and their performance in field education. All students will be guided and counseled on such matters. Under certain circumstances, a student may be advised to withdraw from the seminary. The seminary reserves the right to dismiss from the seminary a student whose conduct is, according to the faculty, unsatisfactory.

Graduation Requirements

To be awarded a degree or diploma, students should complete their programs with a minimum GPA of 2.30 (grade of C+). In addition, satisfactory conduct, as assessed by the faculty and the Board of Directors, is also necessary for graduation.

Plagiarism

When a student submits an assignment, if the main idea, important words, or even most of the content of another person's work are copied verbatim without indicating the source, it is plagiarism, regardless of whether the other party agrees or not. If found, the student may be asked to redo the assignment, or the assignment may be scored as zero. Those who cheat in the exam will have to retake the exam or get zero points. After being discovered and warned by the teacher, if the student continues to plagiarize or cheat on the exam, the entire course will be considered a failure (F). Those who plagiarize or cheat in two or more courses may be expelled from the school.

CWTS policy and guideline for the use of ChatGPT, and other similar AI tools

CWTS continues to uphold academic integrity and encourages honesty in seminary education. The rise of OpenAI, ChatGPT, and other similar AI tools are a blessing as well as a challenge to theological education. These tools are useful and helpful if used appropriately. For the sake of growing into maturity in theological discernment, the student ought not use these tools for any seminary assignments, except to search for relevant resources and for general understanding of a topic.

Here is a specific guideline for CWTS students in relations to course assignments:

- Do not use it for generating outlines for any assignments
- Do not use it to produce partial or whole content of any assignments
- Do not use it to polish or edit any assignments
- Do not use OpenAI/ChatGPT as a reference (e.g., footnote in research paper)
- May use it to search for relevant resources (e.g., books, articles, online

materials, etc.) and for understanding relevant issues (similar to using Wikipedia or Google Translator), recognizing that there are many cases where resources suggested by AI turn out to be nonexistent; therefore, do not use it indiscriminately. Any ideas or statements produced by A.I. tools must be examined, evidenced, or supported by proper documentation or reliable resources.

- The purpose of this guideline is not to restrict the student's personal use of OpenAI/ChatGPT in other non-seminary related contexts.
- The ultimate purpose of this guideline is to encourage the student to complete their work independently, uphold academic and ministerial integrity, and develop solid theological discernment so as to become Christ's faithful servants in proclaiming God's Word.

The professor holds the academic freedom and right to guide the students in the proper use of AI tools in his or her course according to the learning objectives stated in the course syllabus.

The professor will inform the academic department of the student's use of AI tools in a way deemed improper by the professor. The Academic Dean will investigate the matter accordingly.

Disciplinary Action

Subsequent to admission, if a student or graduate is found to have submitted forged documents in applying to study at CWTS, the seminary has the prerogative to dismiss him/her or revoke his/her diploma. If a graduate of CWTS openly holds beliefs that are heretical (deviating significantly from the seminary's Statement of Faith), or manifests conduct that breaks the law of the country or is at variance with biblical teaching, the seminary likewise has the prerogative to revoke his/her diploma if he/she persists in the error and refuses to repent after receiving written official notice and admonition from the seminary.

Transcripts

Copies of official transcripts are \$5.00 each, may be requested by writing to the Academic Department. Transcripts will be sent directly to institutions or employers. Students with unpaid financial obligations to the seminary, which includes tuition, room payment and library fines, will not be issued an official transcript.

Withdrawal

Students who wish to withdraw from the seminary must make their requests in writing to the Registrar and complete all financial obligations.
